Cllr Lloyd expressed a preference for the mulch surface. The mulch surface will require a stone base; concerns were raised over this. It was agreed to proceed with a bark surface. Cllr Lloyd to write to Sovereign informing them of the decision and asking for clarification over who would be responsible for excavating the bark pit. Paul Stoter to be instructed to remove the existing structure including the concrete bases to all the posts, and to remove and dispose of the existing bark. Post holes are to be refilled 6 inches at a time and compacted in layers. Subsoil will be adequate for this. Paul Stoter to contact Robert Clayton for subsoil.	SL Clerk
